MARCH 14 & 15, 2008

Once again Emergency Resource Management (*ERM*) will have a booth at this years State EMS Conference in Cromwell. We remain in the same location as previous years, booth Number 32. In that we are celebrating our 5th Year of Service to the EMS Community, stop by our Booth and receive a little token of our appreciation. Of course if anyone wants info concerning our services, or wants to discuss employment opportunities, well that would be fine too. We look forward to seeing you there.
Enjoy your weekend!

If you 'd like some information on how *ERM* can service your department, give us a call today and we'll be happy to meet with you at any time.
