NOTICE TO PROSPECTIVE EMPLOYEES

Applicant's Agreement to Background Checks

In consideration for employment, I do hereby agree to submit to the standard motor vehicle and criminal background checks, conducted either by local, state or other hired agencies. I further agree to an Office of Inspector General (OIG) List of Excluded Individuals/Entities (LEIE) background check. An OIG exclusion has national scope and is important to many institutional health care providers because the Congress of the United States established a Civil Monetary Penalty for institutions that knowingly hire excluded parties. Accordingly, the OIG maintains the list LEIE, a database which provides information to the public, health care providers, patients and others relating to parties excluded from participation in the Medicare, Medicaid and all other Federal Health Care programs. Should I be hired prior to the results of the background checks, and they are found to be in question, I understand I may be terminated from employment. I further attest that to the best of my knowledge, I have no criminal, motor vehicle or LEIE history that would impair or impact my employment with Emergency Resource Management.

Furthermore, as part of the background check, ERM may also obtain a "consumer report" from a "consumer reporting agency". These terms are defined in the Fair Credit Reporting Act (FCRA), which applies to you. A consumer report includes information regarding such issues as your credit standing, character and general reputation. You may contact the Federal Trade Commission in Washington, DC about your rights under the FCRA as a consumer with regards to "consumer reports" and the "consumer reporting agencies" that provide these reports.

Emergency Resource Management Applicant's Agreement to Drug Screening

ERM is firmly committed to maintaining a drug-free workplace. Therefore, we require all prospective employees accepted for employment to pass a drug test as part of our employment process. *All offers of employment are contingent upon satisfactory results of a drug-screening test.*

All prospective employees who are considered for employment will be required to sign a Drug-Screening Agreement (see below) authorizing ERM to have its designated laboratory perform the drug-screening test. Prospective employees who refuse to sign the Agreement will not be considered for employment. Prospective employees who test positive for drug usage will be denied employment in the ERM for a period of six months after the positive screening.

I understand and agree that any offer of employment to me by the ERM is contingent upon passing a medical examination, to be arranged at ERM's expense, which includes a urine test to determine the presence or use of drugs or controlled substances. I give my consent to the urine test and the release of the test results and any other relevant medical information to authorized ERM management for appropriate review. I understand and agree that my failure or refusal to sign this Drug-Screening Agreement or to provide said specimen for analysis at the time requested will also disqualify me from further employment consideration with ERM.
